EXPERIENCE

Masterparts — Intern / Junior web developer

SEPTEMBER 2020 - CURRENT

Worked in the web development sector of the business, where we find solutions and improve on the Masterparts system which is used at the offices and storerooms.

Worked on projects to improve my coding skills.

39 Steps — Film and commercial extra

AUGUST 2019 - CURRENT

Attend film shoots and photoshoots at flexible rates on a seasonal basis.

3i Solutions — Sales Agent / Quality Assurance / Data capturing

JULY 2018 - JUNE 2019

Outsourced to BCS (Brazier Consulting Services) where we claimed back PPI (Payment protection insurance) for customers from the banks in the UK.

Was a sales agent for 2 weeks.

Got moved on to the QA role in the company rating calls and giving feedback.

From there I wanted to try something new within the company and then I got moved to a data capturing position in the business.
