EXPERIENCE

LC Studio — Intern / Junior web developer

APRIL 2021 - CURRENT

Maintain and update the websites LC Studio creates as well as troubleshooting website problems.

Keeping up to date with the technologies used in our apps.

Was assigned projects to cultivate my teamwork skills and broaden my coding skills.

Masterparts — Intern / Junior web developer

SEPTEMBER 2020 - MARCH 2021

Worked in the web development sector of the business, where we find solutions and improve on the Masterparts system which is used at the offices and storerooms.

Worked on projects and learning journeys to improve my coding skills.

39 Steps — Film and commercial extra

AUGUST 2019 - CURRENT

Attend film shoots and photoshoots at flexible rates on a seasonal basis.

3i Solutions — Sales Agent / Quality Assessor / Data capturing

JULY 2018 - JUNE 2019

Outsourced to BCS (Brazier Consulting Services) where we claimed back PPI (Payment protection insurance) for customers from the banks in the UK.

Was a cold call sales agent for 2 weeks in the sales department.

Got moved on to the QA department in the company where I rated calls and gave sales agents feedback.

From there I wanted to experience something new within the company and requested to move in the data capturing department in the business.
